“ *You will be truly missed by me & my children. You practically helped raise them at one point in time. You were always there for us. You were the best Papaw they could ever ask for even though we weren't blood related. You took them places, you helped them when they needed someone to talk to, you helped me when I needed someone to talk to. They loved spending time with you, going to church with you, going to the skate with you and just hanging out at your house. We love you Mr. Emery/Papaw Embry. We will never ever forget you.*
