“ *To Perlita and the entire Franklin family
I remember your father and going to the store as a youth. I lived in the neighborhood and went there regularly. I came home for a visit one day and noticed the store closed, I was very saded. Hold on and keep your faith. God bless.*

“ *Words can't express enough how deeply my family and I are due to your lost, but most of all remember to hold on to God's unchanging hand and let him direct your path. Brother Franklin will truly be missed here at Gospel Temple and I in particular will truly miss that smile and mild toned voice. If there is anything that I can possibly do please feel free to pick up the phone and give me call. God Bless You All and you're in my prayers.*
