“ We are thankful to God for blessing us with our brother "Peter". We reminenced and agreed that Peter was a kind, humorous-sprited man with his unique ways of doing things and with his mind made up on the issues of life.

Peter, was quite a character, but we loved him just as he was. We cherish the memories that we shared with him individually and collectively as family. We loved our brother and we know that he loved us because he told us that he did,often. He will always be a part of our lives through the memories that we hold dearly in our hearts and minds. We encourage the family to look to the hills from which cometh your help, We know that all of our help comes from the Lord.

*May God bless and substain you,
With our deepest sympathy and love,*

“ *Although I did not get to meet Peter in person, I was able to speak w/ him over the phone on several occasions. He was always the same, outspoken and "comical". Peter seemed to have a sincere love for my mother (Ella Jean) and all of her brothers and sisters in Miami. I know that he will be missed greatly by them all. My prayer is that God will bless his entire family during their time of grief.*
