“ *"BILLYBOB", wow what do I say.... You have left me remembering so many memories of us growing up!! Even more as we became adults. I gave you the name BILLYBOB because you were always such a funny, comedic,goofball prankster!! You turned into "Martin" at the drop of a dime making everyone in the room laugh!! You gave me a name as well, ""BABYGIRL". You gave me another name here recently in the last 6 months, "SUNDROP" from the pop commercial. You said the girl in the commercial reminded you of me. We would always call each other and laugh whenever it came on!*

*Although you may be gone from my sight, you will forever be in my heart!!! I Love You*

*and I know we will see each other again!!! REST IN PARADISE*

“ Dear Johnson Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.
