“ *To the Jones, Barnes, and Walker families. I have known the Barnes-Walker family since the early 70's in the Gardens and I am so saddened by the news of Boonie. You all have been in my prayers and thoughts since I first heard the news. Trust me there is so much more I want to say but I will save it for a later time. Until then May God Bless You All, you have my deepest sympathy.*

“ We never had a boring day weather it was running from dogs or sliding down your basement stairs on the back of a table good times, good times. You always had my back and I had yours I love you homeboy This is no goodbye I'll see you again in the new system..

With that I heard a loud voice from the throne say: ?Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.?
