“ We thought of you with love today,
but that is nothing new.

We thought about you yesterday,
and the day before that, too.

We think of you in silence,

We often say your name,

But all we have is memories
and your picture in a frame.

Your memory is our keepsake,
with which we'll never part.

God has you in his keeping,

We have you in our heart.

Unknown

Our hearts are heavy, but we know you are in a better place.

God was standing by and your battle is now over.

Rest my brother for you are safe in his arms.

“ I am deeply saddened to hear the news about my uncle. He was a man with a kind heart. Heartbroken that you are gone. Jehovah God knew what was best for you. This is not a good bye but I will see you later. The times we spent together will forever cloud my mind and heart. May your soul rest in peace.

“ Finding a word that characterize you the best is utterly an impossible thing.
For no word could say so perfectly all the things you mean to our family.
You are loved and will truly be missed!
Rest in peace 1st five (our inside joke) for you are now an eagle.
An eagle that's soaring high against the sky on his way up yonder!
Heartbroken because you're gone, but joyful because I know someday we will meet again!

Dear Uncle,

It is so hard for me to think of you not being a call away, but I do know that you are better now, no more pain of any kind.

I will miss mommy telling me when ever she would talk with you, you would say tell Sharion I'm praying for her and I know that she is praying for me. Please know uncle I will never stop praying for our love ones and I know we will see you again.
