“ Percy was a great great friend to many, Real hard working/Family man... The one story I have about Percy is one day I road home with him from football practice we had something planned that I can't remember, But he was hungry and said he was going to make a peanut butter and jelly sandwich..I said ok, As he was making his sandwich I was puzzled because I never seen anybody make a Big Mac style peanut butter and Jelly before 3 slices of bread..two of them..
