“ *It's been over 30 yrs since I've seen you, only to learn today you're gone. You loved me as a daughter. Taught me to fish, ride a bicycle, drive a stick shift in your Lil Volkswagen Bug and took me to Detroit to buy my first car. I love motorcycles. Seeing any reminds me of you. You being colorblind always tickled me, blue sock/black sock....The day you graduated from Mott with your High school diploma will always be my most treasured memory of you. I still have your picture. You were always kind and I always loved you. You have and always will be Pop to me. My Pop*

“ *May God bless you and your family doing your time of sorrow. Losing a loved one can be difficult and hard to cope with at times (Psalms: 55:22) will give you some comfort because it tells you to throw your burdens on Jehovah. May your hearts soon be filled with wonderful memories of joyful times together as you celebrate a life well lived May the love of family and friends carry you through your grief.*
