“ Deepest Sympathy to the Presnall family. James will surely be missed. He truly was a Jack of all trades. He was also a walking encyclopedia, we grew up together in the same neighborhood, things I couldn't remember he was always a phone call away. He was a joy to be around, was certainly loved by our class of 1964. Sure we are sad but heaven has gained an ANGEL. Sleep in Heavenly Peace. 🙏🙏

“ To the Presnall Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

Although you are gone, and will be deeply missed, you and memories of you will never leave all whom life you have touched, and all whom had the chance of meeting and knowing you, as you have provided a beacon of light for so many of us whom may have fallen; although you were called home, we are grateful for the time spent, borrowed, earned, and cherished during your stay, have a glorious trip home and remember that we all love you and will always keep you in our hearts and prayers for an eternity, as leaving is never comfortable and overly hard to except and adjust to on any level, may you be at peace at the end of this life and zealous to begin a new heavenly life with plenty of love and blessings.
