“ *Sorry to hear about the loss of your loved one. Death is an enemy that we can never get use to. In my times of sorry I have found comfort in John 5:28,29 which says that one day we will see our loved ones again.*

Elder Eddie Brown - February 18, 2011 at 12:00 AM

“ *I am deeply saddened by the loss of my uncle "FUZZ". We experienced some great times at grandma's and grandpa's house during Sunday dinners, many years ago. My prayer is that the entire family will find comfort in knowing that God has purpose in our lives even until and beyond death, until the coming of our Lord. His grace and mercy is sufficient to sustain us all.*

“ I am heartbroken at the loss of your father and the sadness you are experiencing. I know that he will be missed by you and many others.

Please be kind to yourself during this sad time, and I pray for the time when your sadness and grief is gently replaced by smiles and pleasant memories. You were truly blessed to have had your father in your life as a parent, a role model and a friend.

I am here for anything you need, please call, even if you just need an ear for listening. You and your family are in my prayers and thoughts.
