“ *Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“ It has been over 40 years since I last saw "Scooter." I remember him from church. He was a very nice young man and always seemed at peace. His father was the pastor at the church we attended and I knew his mother and all his siblings. I am truly saddened to hear of his passing. I pray that his family will find peace and know that he has only gone home. So, don't tell him bye, just tell him, see you later when we too go home to the Father. We are all just passing thru.....
