“ *Uncle Jimmy,*

*Even though there is emptiness in my heart there will always be a special place for you. I will miss your many words of wisdom and the many moments of laughter. As you would always say "I'm Just Here Temporarily." Now the time has come that you have been called to enter into your eternal home.
I Love you dearly,*

“ To All The Stinson Family,

May all your fond memories of Uncle Jimmy sustain you during this time.

Be joyful in knowing he's reuniting with his mother, dad, big sister and all of his brothers. He's probably dominating the conversation and I can clearly hear him saying to them, "Now don't misquote what I'm saying" !

Peace and Love To You !

“ Whenever I came home, Uncle Jimmy always made sure to stop by and pay me a visit! I will truly miss his presence, his "witty" remarks, and hearing that funny laugh of his whenever he would get tickled. Between the pictures we've collected over the years and the memories we've shared...you will always be vivid in my mind and close to my heart.

Love Sharon
