“ To the Todd family and friends,  
I did not know Mr. Todd personally. I did however, want to offer my deepest sympathies and condolences for your great loss. I also want to share some hope found in God's word the Bible. Revelation 21:4 tells us the hope for our loved ones that have passed away. Also what Jesus said about them at John 5:28. If you have any further questions that you have always had and would like the answers to please take a look at the official website, [www.jw.org](http://www.jw.org)
