“ My Granddad James Walker was an amazing man! Every since I could remember he was a very hard worker with a huge heart. He was a like a father to me not just a granddad. He has always been very genuine ans giving. I rlemember growing up helping my late grandma Julia Walker pop over the stove popcorn for his long ride to work. Then putting one of his long white tshirts for bed and giving him a kiss goodnight. Only to wake up and get a piece of juicy fruit chewing gum one more time from my grandd like I did as a kid. I am going to miss this man dearly. He was always there no matter he was an awesome man.

“ To my family, Remember that God knows what is best and never gives us more than we can handle. He must have needed a good Mechanic to fix some in heaven and he knew just who to call. If it was down Uncle could get it running. Praying for all of my family during this time and always. We will simply have to do the word...Trust in the Lord with all our hearts and lean not to our own understanding. In all our ways acknowledge Him and He will direct our paths. Proverbs 3:5-6.
