“ I'm sorry to read this. There so much love on this Tribute wall. I never knew Mr. White. So many had such beautiful things to say about him. May his family find comfort in the many who wrote of there love for him. May Philipians 4:13 help his family knowing God gives strength for all things.

“ *My sincere condolences to the family of James "J.J." White. The passing of James has left me broken-hearted. I was James's fifth-grade teacher. James always had a smile on his face. His laughter was infectious. James had a cheerful demeanor and witty personality. His ability to brighten the room with humor and positivity was truly special. I will never forget James finding me on FB. He was stoked about seeing my FB profile. James sent me a message at about 3:30 a.m. I was awake and responded! James made it known he loved and missed his Doyle Ryder Family. I love you kiddo, ALWAYS & FOREVER! Rest peacefully in heaven.*

“ *My nephew! My baby! I love, and miss you so much. So many great, and happy memories with you. I'll miss you calling me, and talking to me about whatever it is that was on your mind. You always made me laugh. And, I know you'd want me to smile, and be happy right now. So, I will. I'll cry because I'll never get over losing you, but I'll always be happy, and thankful that I got to share my life with you. Until next time buddy, I love you ☐*
