“ *I didn't know my dear Jaime passed away til a few years ago. I had lost touch with her and our mutual friends when I moved out of state some years back. Even tho time and life separates us, my love for Jaime never faded. She was a amazing friend and person. She used to call me her Shaunathon LOL 😂. Ahhh Jaime my heart hurts so bad knowing that You aren't here with us anymore. I will never forget you and I will always love you and miss you. My condolences to Jaimes family. ❤️😭🙏*

“ *We are sorry for her pain! We have many pictures and memories of her high school years with our daughter! We were at her wedding to Doug. So sorry to hear of this incredible loss!*

“ *I met Jamie through friends when I was 18 years old. I will always treasure the times that we shared at the Triangle, hanging with her and Doug in the "red room" of their old apartment, her obsession with make-up (Mac), visiting her and Doug in Grand Rapids, dancing it up their wedding, and the sound of the most infectious giggle I have ever heard. She will be greatly missed.
