“ *My daughter Rachel loved visiting with Jan when she came to grandmas house next door. And Miss Jan loved her and made her feel so special. We have cards she gave Rachel and we'll keep them to remember her by. We will miss her! It is remarkable the impact a person can have on the world around them just because they decided to be kind in speech and actions! I am so thankful we could know her. Praying for the family!*

“ Mrs. Reaves was an awesome pre- K teacher to my son and his father. She taught my husband how to let go and let our son be independent. It took some time but he eventually allowed our son to be a great student. She’s going to be missed tremendously. I’m praying for her family. 🙏❤️

“ Words can't even begin to express how much she meant to me and my life. Mrs Reaves was the first person to really believe and push my education. As a kindergartener she pushed me and let me go at my own pace. She was the reason I got into Doyle Ryder (was a long waiting list at the time). She made sure to be an advocate for me and I went back multiple times to visit her and her classes as I grew older. So thankful I got to see u a couple years ago and introduce my sons to the teacher I speak to them about so highly that impacted my life. Such a great woman and such a great family. You will be truly missed.
