“ To my dear brother Roger and the Foster family – I wish I could be there with you all to celebrate Janet’s life, but I pray God will send his angels to comfort you all during this time. Janet was very kind, sweet, always had a smile on her face. Even though she was very quiet, I remember her also being very funny, which is a Foster family trait for sure! I love you all and will continue to keep you lifted in prayer. Love, Kesha Yancey and family.

“ Oh my friend, I can't believe you're gone. You always tried to get me to drink that nasty green healthy stuff. You'd curl up under your desk on the hard floor & nap on your lunch & when I fell off my shoe & did a face plant in the parking lot, you hauled me to my feet with one arm, all 270 lbs of me! You never talked much but I can hear your giggle & I think of you every time I use my cast iron skillet I bought with the gift card you gave me as a retirement gift. I'm so thankful I got to see you that last time & give you a hug. Fly high my friend.

“ *Even when you don't know what to say, speak from your 💖. To the dearest of Janet Foster families and friends all near and far, by blood and by spirit. Our most deepest sentiments are with you during this time. Oh how I would so recall a pint sized girl with a huge smile! As little people wanted to be kin so bad because of the Foster name in our family we took it for what it was... a loving bond beyond a name. Smart, beautiful, kind, and loving! This surely pulls at my heart strings! The Randolph's-Ridgeway4lyfe!!!*
