“ *Turn to the scriptures for comfort at times like these. Our heavenly father Jehovah will help your family to get through with encouragement from his word the bible. Jesus said at John 5:28, "Do not marvel at this, the hour is coming when all those in memorial tombs will hear his voice and come out." Call on Jehovah and ask him for his holy spirit to help you make it through these difficult times.*

“ *I would like to send my condolences to the family. When someone we love dies, it's very painful. But the Bible talks about doing away with this pain at Rev 21:4. May the God of comfort, comfort your family at this time.*

“ *To The Anthony Family,  
During this time of difficulty, may you find comfort by considering the finest basis of encouragement, God's Word the Bible. May you find comfort by considering Psalms 146:5,9 where God shows loving concern for bereaved ones. Additionally, 2 Corinthians 1:3,4 confirms that the God of comfort will take care of us during our tribulations. Our hearts go out to your family.*
