“ To the Family,

There are few words I can use to acknowledge a woman of Ms. Janice's caliber. She was a woman who embodied the essence of warmth, acceptance, kind heartiness and old fashioned values. Anyone who met her liked her, anyone she knew she loved her! In a world of fake people and artificial things we can all take comfort in knowing our lives were blessed and enriched by a woman of realness and purity of heart. We can find sanctuary in knowing that a woman of her spirit is still and will always be in our midst. Just know that if we hold on to God's unchanging hand and be half as good a person as Ms. Janice, we can rest assured that we will see her again!

“ To Ward just like one of my son's and a brother to Rat, your mother and the rest of the family. We were very sadden to hear of the death of Janice. It is a hurting pain when we lose a family member or friend that we love but God will not put no more on us than we can bear. Just like we know what we want God know's what he want and he want the best and from what I hear of Janice she was the best. Janice didn't give up on her family she gave out and God took her home to get her reward and her rest. To the family you all come together draw strenth from each other and be strong for your mother because she is going to need you more than ever love her and love each other. We will be lifting you and your family up in prayer. We cannot be there with you in body but our heart and spirit are with you.

GOD BLESS YOU AND YOUR FAMILY

LOVE YOU
