“ I had the pleasure of working with Janice at the Urban League for about 6 years. She was dedicated, hardworking and thoughtful with her clients. And delightful, funny and very helpful to me. I very much enjoyed working in the office with her. I know how much she loved her family – especially her grandchildren as we shared many stories. She will be missed by many.

“ To The Gooley Family, Words cannot express the sadness I have for you at this time. Your Mother was a woman who knew her business and acted on it accordingly. It was such an honor to have known such a remarkable woman. Janice is now in heaven living in one of those Mansions God has promised all of us. May God keep your family in his loving arms as you go through this tough time.

I was one of the neighborhood kids who used to frequent the Gooley household. My friendships with Rose, Nikki, and Karen automatically made Mrs. Gooley one of my "other" mothers. I love her to pieces. Besides feeding me (regularly and in large quantities), Mrs. Gooley possessed a rare trait - acceptance of people for who they are. She is as non-judgmental as they come. As an adult, I now realize that not too many of us exude this kind of character. Thank you, Mrs. Gooley, for being of one of those rare gems in my life. I will miss you.
