“ *To the Jones Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question you may have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
