“ *To Hosea. I know we don't know each other but I was the looong-time girlfriend of Jerry's. I believe we met once. But I really don't need to know you deeply to know that you are hurting from the loss of your Mom. She was so young and I'm sure you were close. So you have my deepest sympathy.*

“ *Naturally the Brown family heart's was filled with sorrow, and tears flowed when Janice was taken from us by this hidden certainty of death. The sudden death and what we call untimely death of those who are prepared to go may be regarded as a blessing to them. I can hold my grief long enough to think of what her home going means to a Christian. Toils and burden bearing are exchanged for the repose of heaven. I will rejoice and thank God for her life which leave behind it a radiance of purity, goodness and peace. So don?t cry for Janice she was another soldier gone, to get a great reward; Janice fought the fight, She kept the faith, and now she have gone home to God. ?She is now ready to be offered, and the time of her departure is at hand. Janice have finished her course in life?.*
