“ *Ms. Potter, I have such cute memories of you. Bringing huge jars of pickles home. Me and Jackie eating those like crazy. And we aren't going to forget that famous whip cream cake. But most of all, the love you gave Jackie Jarae and Jalaya. You fought hard and in the end..you won. You are so loved Ms. Potter. Thank you for creating such a wonderful friend to me. Love you forever and always....Robin*

“ My Condolences, I'll always remember when I first started going to Galilean Mother Potter was the head usher and when she didn't have a lot of help I use to ask her can I help her and she would say sure. So helping her made me want to become a usher. So as I'm ushering I'll always remember her 🌹
