“ *To Baby J and Laron and all others who knew her - We are praying for you at your time of bereavement. Losing a parent is something that can not be described. It is a hurt that stings worst than ever imagined. However, know that moms never want kids to dwell on things or hurt for long. She would want you to carry on because she is in a much better place right now. Where she is no longer suffering. I will continue to pray for your family as it has only been 4 months since you all lost her grandson as well. Hang int there God does not give you more than you can handle.*

“ R.I.P. Mama I still have a hard time dealing with the fact that your gone so I just dont or I think I will go crazy. I want to just talk to you, tell you what happen and laugh with you. Sometimes I just want to talk late night and I know you were always up. You were the best mother a man could ask for. You always had my back right or wrong, and you would tell me like it is regardless of how I felt about it. Ive picked up the phone several times to call you but then I remeber you gone, like when Mark died I could just hear you saying I told you so. I have a daughter now Lauren and shes beautiful and Ron is going to be on a show called Americas got talant. Hes on their dancing, and he getting so big. Unc still crazy as ever but Im taking care of him to the best I know how but its hard, thanks for leaving him with me lol. well love you old woman til we meet again tell James, Randy, Big Boy, Price, Kela, Akil, Dot I said whats up.
