“ *To Dorothy and Kenneth Franklin and to the rest of the family. You all have my deepest heartfelt sympathy. May God give you peace and comfort and strength in the days and weeks ahead. I was glad that I got to meet Mrs Janie she was so sweet and kind and she has been very good to me I loved her dearly. I met Dorothy some years ago we worked together on many jobs and we became friends and we are still friends today. Dorothy and Kenneth are not only friends to me I claim them as one of my family members. Dorothy and her mother have always been there for me. I will miss Mrs Janie. You all are always in my prayers.*
