“ *Grandma , you have no idea how much you mean to me. No one can evr take your place. Like the Bible says , " To be absent from the body is to be present with the Lord." You might not be with us in the flesh , but you will always be with us in our hearts. I will miss you and I love you always.*

Wanted to let you know the Thompson's prayers and love are with you in the departure of Sister Janiece. PERSONALLY - She blessed my life in so many ways through prayers and Godly wisdom. I was unable to attend her homegoing because my husband had a stroke, but we continued to pray for your family's strength in the Lord. She was bless to have two great daughters who took good care of their mother. Hold on to your faith in Jesus Christ as you were taught and things will be well with you.

“ To the Crayton Family, Tonya and Rhonda I was very saddened to here of your mothers passsing. I remember walking down to your house my high school years and catching a ride with Rhonda to school. Your Mother was one of the nicest people I know. She stood out from many with her kind heart and love for the children and people in general. We don't have many people like your mother, a rare attribute. She will most definitely be missed not only by me but by Comstock St. It is truly a blessing when we can see by the life one live whether someone is heaven and in seeing the life your mother lived and how she let her light so shine she is now smiling from heaven. God bless you all

“ Tonya and family - Sorry for your loss. You are in my prayers. I remember when Tonya and I was in the 7th grade, and I walked to her house in very, very cold weather because I was locked out. When I got there and Ms. Crayton opened the door, I was crying like a baby and my toes and fingers were frost bitten. She took off my coat, rapped a blanket around me, made Tonya fix me some hot chocolate, put on Andre Crouch and song to me while rocking me on her lap. I felt so loved! She will never be forgotten! Love you Tonya.

“ Tonya, Rhonda, Stan and granddaughters:

I do share your loss for a great woman of God. Your Great grandmother Arlena, sends her condolences. She often speaks of how Jan raised you to love and be kind, and how smart and polite her grandladies are. Jan gave you a great foundation. Jan understood the love of Christ always open doors. I wanted to be there with you to say goodbye to my sister and strengthen the family, but circumstances prevents me from being there. My love always, Aunt Carsoonee LR, AR

“ Dear Grandmother,

I miss you so much. You are the most beautiful, loving, gracious grandmother anyone could ask for. You taught me how to be a Christian, a proper young woman, a loving granddaughter, daughter, sister, and friend, and I thank you for all that you have done for me since I came into the world. I thank you for raising my beautiful and loving mother, who I am blessed to have as well. You are the rock of our family, the example of what we all strive to be in life. You helped and blessed many in your time here on Earth, through your loving and caring gestures, words, food, and actions. You were there whenever I needed anything, and you helped me through with your prayers, laughter, and love. I am sorry for not spending as much time with you as I wanted while I have been away at school, and your passing has come before I expected, but nevertheless I smile because I know you are now in a better place, where you are probably singing laughing and maybe even cooking with the angels, watching over us and still being there for me and with me everyday. You are always in my thoughts, in my smile, and your love is running through me everyday. I love you, I miss you, and I smile because of you, always and forever. I will see you again soon, in Heaven.

Love your 2nd granddaughter,

Tiana aka TT Crayton-LaGrone
