“ My condolences to the family. I was Jannice's driver to get to her Medical and physical therapy appointments with Reliable transport. I just found out last Friday that she's gone. In total shock. I'm wishing the family my most sincere condolences. She was a beautiful soul and enjoyed our conversations. Loved hearing about her grandkids and kids.

It deeply saddens my family to hear that Jannice has fallen asleep in death. Our heartfelt condolences to her family. May we find solace in knowing that Almighty God has not only the power but also the desire to restore and sustain the life of persons who love him and his Son.

It's hard to believe you are gone. Whenever I came to Flint, I always made it a priority to find you and love on you and the kids. We just talked on the phone and caught up, sharing laughter and hoping to see each other soon. I am praying for the entire family, sending love and hugs. Cousin Janoice, I love you forever and day
