“ I can't believe you are gone Jason. We met in Kenya one of the best summers I have had. We toured most of Kenya and kept in touch for a number of years. I am heartbroken to see that you are no more. I pray that you are in a better place and May the Almighty grant you paradise. In my heart I shall always treasure the memories we made. Rest well my love ❤️

“ I have great memories of Jason in high school. I remember going to Halo Burger before his football practice and my band practice. He went to UM and I went to Eastern Michigan and we use to ride the bus back to Flint together holding hands just as friends....He use to call me at night when he was taking a bath just to talk... I often thought about him and what happened to him as I got married and left school and moved out of state. I am very sorry for this loss as I remember Jason as one of the best guys I ever met.
