“ I loved Jean like a Sister. Every year on her birthday she would say she had "caught up" with me for one month, as my birthday is in March. Our teams were full of talent, but more than that we had much love for each other. We (teammates) have many good memories of our days on the courts, on the diamonds and on the alleys. And I am sure I speak for many other women who knew an loved "Blondie."

Alan, Ms Dorothy and Daddy James, I am so sorry this happened. I can't express my regret and sorrow for your loss.

PS

“ It saddens me to hear of your lost. Blondie was a very nice, fun person. I had not seen much of her but when I did she was always the same. May God bless you at this difficult time and may God grant you all the strength you need.

Blessings and prayers,

Ms. Stribling
