“ *To the entire "Jacobs" family, please accept my deepest sympathy. I haven't been around in years but whenever looking back into my teen years, your mother is there and playing a special role. Mrs. Jacobs was everyone's Mom who entered her home.*

*God has brought one his special angels home to be with him, but for those of us left behind, she will be greatly missed.*

*To you Netta, Your my forever sister. Please know that I love you always and in this darkest moment my heart mourns with yours. Keep your head up and know that your Mother left the most beautiful part of herself behind and inside of you.*

*Love,*

*LaVeda*
