“ *To, Nikki and to Bill-Bill, and to the boys, I love you and If you need me I am here, I will always remember boo and the fun we used to have, cracking jokes and playing the dozens with each other, I will especially remember her beautiful smile, and even though this battle she fought was a long and hard battle, boo always kept a positive attitude and that wonderful smile. she is much better off now that she is in heaven with our heavenly father.*

Always Remember:

THAT EARTH KNOWS NO SORROW THAT HEAVEN CAN'T HEAL.

“ My heart is broken, I can't believe that the sweet, gentle, loving young mother is gone. When we last spoke she said she was getting better. I am in shock and disbelief. My heartfelt sympathy goes out to her sister Nikki, her brother, Billy and those sweet little boys. I can't believe this and I can't stop the tears even though I know she will suffer no more. I am in total shock and very unprepared for this. I will miss running into her at Meijer and having long chats with her. I am praying for her family now as I had for Boo before. I know that God makes no mistakes but it's going to take a while for me to accept this. To Boo's family, if there's anything I can do just call. May God be with you for as long as it takes. I'm very shocked and so hurt so I can only imagine what you are going through. I'll never forget Boo, she will always be in my heart. May God bless and keep you. Re-Naye
