“ *I have many happy memories of going to Jeff at Valley School. He was the kind of person that if you were having a bad day, he always knew how to make you smile! He was a good friend of mine, but was also an example to follow in terms of how to treat others. If Jeff's family is reading this message, I just want to say this: I know that Jeff came from a great family, because he was such a good man! My deepest condolences to his family and friends.*

“ *Jeffrey's maternal grandparents, John and Julia Hodgers, certainly welcomed him when he was born--the first baby boy--after four daughters and two granddaughters. He was followed by cousin Rachel Burns, and they were more like siblings than cousins. Jeff was a joy to family and friends, and the apple of Fred and Sybil's eyes. Until we meet again...Aunt Carol and Uncle Emerson*

“ I have lived all over this world, and met a lot of people, and I have to say Jeff was one of the best human beings I have ever had the very good fortune to know and call friend. The truly amazing thing is not so much the outpouring of love that Jeff is receiving at his passing, because he deserves it all, but the fact that I know Jeff and being the humble guy that he was, he would be amazed that so many have stepped forward to show they care. He should not be amazed, but I know he would be. He had no idea what a truly amazing person he was and how many lives he touched. He had a positive impact on more people in his short time here on Earth, than most would have in ten lifetimes. He will never be forgotten. My prayers have been with him since he got sick; please know they are now with you as you traverse the days ahead. God bless. M. Vong
