

Ms. Jennifer Charlene Rogers

January 24, 1959 - July 20, 2020

ROGERS, Ms. Jennifer - Age 61, passed away Monday, July 20, 2020 at Henry Ford Hospital, Detroit, MI. Ms. Rogers will lie in state in the Chapel of Lawrence E. Moon Funeral Home, 906 W. Flint Park Blvd., and may be viewed Wednesday July 29, 2020 from 12:00 PM - 6:00 PM. Interment Sunset Hills Cemetery, G-4413 Flushing Rd.

In Chicago, Illinois on a wintry day of January 24, 1959, Jennifer Charlene Rogers enhanced the lives of Eugene and Lessie Mae Rogers. She was her father's "Jenny Cat". Jennifer was the apple of their eye as she had no problem reminding everyone. She was a standout student at Harlan High School in Chicago, Illinois. Jennifer lifted her voice in song at Gorham United Methodist Church every Sunday. Upon moving to Flint Michigan Jennifer allowed her talents to be shared with the Charity United Methodist Church. Jennifer who enjoyed learning wanted to make certain that all children were given the opportunity to a decent education. Therefore, Jennifer returned to the University of Michigan where she graduated with her degree in Education. She then took that knowledge and taught throughout the Beecher and Westwood Heights School Districts. Her love and devotion did not end there. Jennifer would uplift, guide, direct, and enlighten thousands of youth as a Sunday School Teacher, Counselor, and Youth Leader.

As one who would not allow her God-given talents to go unused Jennifer joined the Bethel United Methodist Church Choir. She also sang with The Wilker Septet. Jennifer would never show any hesitancy in spreading the

Good News. She was a Lay Speaker, Sunday School Teacher, and member of the United Methodist Women. Jennifer would bring forth the Word in her sermons to the children of Bethel United Methodist Church on Sunday morning. She even took the Word to other states such as churches in Chicago, Illinois.

If you ever wanted to know about Native American history all you had to do was ask Jennifer. Her knowledge of the history of Chicago was uncanny. She loved history so much that she was one of the “go to” people when any of the Johnson family members had questions concerning their lineage.

One day Flint, Michigan started having issues with the purification of their water. Jennifer, always the advocate, immediately stepped in to ensure that the city she loved would have some form of access to clean water. She worked diligently along with her Bethel United Methodist Church family on collecting and distributing bottled water for the people of Flint.

So much more could be written about this wonderful, loving, outstanding, caring individual. Unfortunately, time does not permit one to write about the most important part of her life. That part would be the time she spent with you. The things you did together. The moments you spent with her laughing and the tears shared. The secrets told and kept. The phone calls, emails and text messages that always ended with a cheery “Bye.”

Jennifer Charlene Rogers story concluded on the wee hours of July 20, 2020. Her father, Eugene Rogers; mother, Lessie Mae Rogers; brothers, Raymond and Rodman; and sister, Gwendolyn; unfortunately were not here on that day as they preceded her in death.

Jennifer did leave to cherish her memories: brother, Winfred Rogers (Kevin Wilks); four nephews, Lawrence, Pierce, Kwintin and David Wilks-Rogers, all of Chicago, Illinois who worshipped the ground “Auntie Jenny” walked on; one aunt, Alma Hopson of Flint, Michigan who Jennifer loved, admired, and considered as her confidant and best friend; last but not least, a host of cousins, church members, loved ones and friends, as Jennifer never met a stranger.

Keep those moments in your heart until the day that we are able to meet again.

“ *Prayers for you the family and dear friends of Jennifer Rogers. I did not know her well. I used to be the administrative assistant at Goodrich UMC. Annually a committee of our church sent youth to our UM Church Camps from Bethel UMC. I had the pleasure of working on that with her and sharing the joy in the work we were doing. I am so sorry that I never met her in person. I have read the memories and I can recognize her specialness just by our phone work together in those personal remembrances. What beautiful people we have to learn from in this world - I was blessed by her in a simple phone ministry.*
