“ *Jermaine, what can I say about you? You were all of that and then some. A very talented young man who I've known most of my life. I would always love to hear you sing and see you dance. I remember us going skating one day and when you got in my car you told me "I must drop my attitude or you were gonna break dance in the car"...lol Just the little stuff like that made me instantly laugh! You were a great person to be around and it's just too bad that you were taken out of the world so early. But I know you in heaven's sky watching down from a far seeing how many people are really missing you! Much love, rest peacefully sweetie! God bless and my prayers go out to his entire family!*

“ *This pain is unfathomable... words have not yet been heard to express the sorrow that I feel, so I can only imagine the depth of your anguish and pain. Jermaine was an amazing person and a dear friend to me. I pray that God continues to hold and comfort every last person who has ever been touched by Jermaine's love, life and song. My words to his family and his awaiting Joy: I know that the nights are dark and long, but fight through because we have to make sure his story doesn't go untold. I love you all, Tiyana Bullock*

“ I am so saddened by this loss, out of all my family I can say that Jermaine was someone who I could always talk to and hang around, I loved him so much and I am going to really miss him...This is hurting me so bad. But I know God has a plan and there is a reason for everything and we can not question God, all we can do is accept the things we can not change and just keep our faith in the Lord.

*R.I.P. J-Ran...I Love you so much.*

“ Jermaine,

*It's hard to say what i really want to say. My heart is very sadden about the whole situation. It's ironic but we played as little kids on McPhail st. yet you were taken from me on McPhail st. My heart is filled with grief and sorrow while my mind is full of hate. It's very hard for me to comprehend that a wonderful black man with all the potential in the world that was gifted in entertainment and music be a part of crime. I have to keep telling myself that God had other plans for you and i that i knew you are up in heaven. Mrs Randall your family is in my prayer. Love Avonne and the Bogan family.*

“ I am still at a lost for words. I can not believe such a beautiful person was taken away. I will always remember him dancing, singing, and smiling. I never knew him to be mean with anyone. It is so tragic that such a genuine person was taken away from a life that he surely loved. May his memories keep his family smiling and pushing forward in the days to come. Peace and blessings onto his family and friends. Though it hurts know that GOD has a plan for this life and the hereafter. We may not understand but GOD needed him more than we.

“ Dear Lorene,

*I am so sorry to hear of your tremendous loss -- this has to be unbelievable to you right now. I, too, have a grandson that I adore and I cannot even imagine having to see him leave this earth before me.*

*You may not remember me, but I lived on St. John Street; went to Northern High School, and was a member of Mt. Olive Baptist Church on Kennelworth on the South side before leaving for college in 1956. I remember when you and Frank were married. I was married to Melvin Jackson at the time.*

*Try to be strong, Lorene. Look to our Lord and Saviour, Jesus Christ, to heal the hole in your spirit that the loss of your precious grandson has left. He will comfort you and dry your weeping eyes. He will never fail you.*

*My prayers and condolences are with you and your family.*
