“ We the traeye family would like to express our deepest sorry for your loss. We know this is a dark time for the family. But Jesus gave us hope in the Bible in the book of John chapter 11 there he told the condition of the dead when he said Lazarus was sleep. Then when he called him out of the grave. He proved what he will do on a larger scale. He promised this at John chapter 5:28,29. All those in the grave will hear his voice and come out. to a resurrection. These are some scriptures from the Bile that help us cope with death and I hope they help your family. Again I am so sorry for your loss. E. Traeye
