“ *to my children dee and c.j., and to helen ,chuck, joy and the grandchildren. To see a loved one going home is always very hard for those of us that are still here. but, if you keep in mind that her life is not over, it's just begging. mother has paid her house note in full and she's gone to her eternal home with the LORD. so, if you cry, remember that mothers happy now, she's back with dad. Always remember that to every time there is a season and mother had a good season on this earth, always laughing , talking, and happy. Trust in GOD, and lean not to your own understanding. he will be here for you.*
