“ Condolences go out to the Gist Family. As I look back and think of Jerry, he was kind of quiet as some men are. He would walk around and look as though he was looking for something with something heavy on his mind. Even though I haven't seen him in awhile, He will be missed.

“ To Janice & Pat I send my deepest condolence to your Family. Jerry was a quiet speaking person, but had the prettiest smile. Growing up around each other attending School together is how I will remember him. God be with you in this hour of your Brother's Homegoing Service. This was difficult to hear of Jerry's passing away, but to be absent in the Body is to be present with the Lord. 🌹
