“ *Hi dad, this is your daughter. I miss you every day..our daily talks and your wisdom. You spoke the truth even when at times we thought we didn't need it. Every day I pray to understand that your love shall keep me going. You would call to check up on me everyday, and sometimes I even catch myself dialing or waiting for a call. Thank you for giving me some of the most precious moments of my life, and I thank God for allowing you to share with me. I hold each and every moment so dear to me, you were a father like no other and dad for that I remain humble and Grateful. Thank you for the special moments father, for everything you have taught me and Jerry. For being our angel to guide us and care for us here on earth. We love you and miss you every day, you brought so much joy to others. You cared for me, even when I thought that I had lost a father. It was you who took me an raised me as your own..I love you dearly. Missing you always..your daughter and grands*
