“ *To The Sanders & Bradshaw Families:*

I will to send my deepest sympathy regarding the passing of 'Buster'. I didn't know he had passed until today, 6/24. My brother saw Troy @ the store and he showed the obituary to him. I used to run into 'Buster' from time to time, and he always had that smile! He could make you laugh! He always talked about back in the day. We always left each other with a 'BIG HUG' and told each other; until we meet again, BE BLESSED!!! He will truly be missed.
