“ *To Jesse's family,*

*We are truly saddened to hear of Jesse's passing but what a comfort to know that he is with Barbara, looking down from Heaven, watching out for all of us!! He and Barbara were the most wonderful people that I knew and how I wish I only had the chance to have met them sooner in life. Often, in conversation, Jesse mentioned Barbara's name and how much he really missed her. That's who the conversations involved most often than not. Knowing they're together again, warms my heart!! Our thoughts and prayers go out to you all. May God Bless!!*
