“ A sad time for all that knew Deacon Cloman . Jessie as I knew him was one of the first people I met at the city of Flint . We worked in the building inspection dept. he was tasked with helping to make me a code enforcement officer. Friends we became and you couldn't ask for a better friend than Jessie . We talked and learned many things from each other over the years , almost 30 . We went to black men in the union conference together even though I was (white). Jessie showed me around introducing me to everyone, got me a kuffe (hat) and tie so I would fit in at Sunday morning prayer . Over the years we shared time together talking about are kids and family . Pictures shared on special occasions graduation and stuff . Always proudly boasting about Jessie II and his granddaughter. After going to different departments and his retirement we seen each other a few times a year always a hug and catching up with hope of getting out golfing together. United Way was just a perfect place for him and his contagious warm personality and seeing him out at the Ally Challenge golf tournament where we both volunteered was always so much fun. I learned a lot about life , God , friendship and being a family man from Jessie Cloman Sr. And am so grateful and proud to call him a dear friend. Toby Keith a country singer wrote a song for his friend from college days Wayman Tisdale the basketball player from Oklahoma called Crying for me (Waymans song) . It's sure fits me and Jessie ! I'm going to miss you my friend. In friendship Scott Ball

“ Our heartfelt condolences to Sister Earia and Family in the loss of Deacon Cloman. House of Praye M.B.C. has truly loss a good servant of the Lord and a great soldier to the community for all the work he had done.

Deacon Cloman was engaged in the concerns of our Pastor and the church. His position at the church did not define him. He was a godly man and loved his family. I'm sure he will be missed by all his family and friends. He will surely be missed here at House of Prayer. We are just a phone call away when needed.

“ I am so, so sad to hear this. I worked with Jessie at The City of Flint for many years & would see him around town after I retired. What a polite, kind, respectful and cool gentleman he always was. I know he’s resting with the angels, well done good & faithful servant. With Love my friend.
