*I am so sorry for your loss, I don't get the paper and I was checking the Obituaries on the internet, it saddens me to have seen Mother Williams had passed away without me knowing so I could pay my respect. I loved your mother even though I had not seen her in a great while, a very beautiful and spiritual lady who inspired me in my spiritual walk from a very young girl as Dorothy and I were very good friends I always love your family and you all are always in my thoughts.*
