“ *You all have my true condolences, God watched over Jewel in many ways. I dont think it was by chance that our mothers met and were really good friends over the years I remember the times they used to have their card parties and be up all night dancing and trecee and I would play together in your room. Jewel was just what her name is. May God send his holy spirit to comfort you in this very sorrowful time. I am praying for you all.*

“ *To my friend Jewel and her family. I am deeply sadden at her transition. We have been friends for over 40 years. She will be deeply missed. She was in my wedding in 1968. Only she and I remember our special secrets that we shared. To God Be the Glory for this life, the memories shared and made together. There are footsteps on our path that only you and I could share. One day I will meet you again in heaven, tell Bessie I said hello.*
