“ Dear Miller Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms83:18, Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians4:7)

“ Uncle Pete I will never forget the time when my grandpa and I was on our way to Flint Michigan to see Uncle L.B. on a Greyhound Bus and we accidentally got on the wrong bus in one of the cities on our way and my grandpa had to pay a 50.00 taxi fee and that hurt my papa, he was like that was almost more than the bus fee...lol!!! As soon as we made it to Flint, Uncle Pete he told you about it and you gave him the 50.00 back just like a good brother would do!!! I will never forget your hands and your cheek bones that resemble my papa so much and just know that your family from the south didnt see you as often as we wanted to but we LOVE you!!!! It just did something for our soul to see you and Uncle Collin, ya'll were the only 2 left...Just know that I would have been there no matter what but some things are out of our control!!!! I'm currently on Military leave in Puerto Rico but just know Shantell tried her best to get to the family and my heart is very heavy because I will miss you but God gave me an opportunity to see you last year and yes you smiled and kiss me so GOD always know best...Family rejoice because Uncle Pete is free now, no more pain, he is at rest and has Peace that can't be explained...
