“ On behalf of the McDaniel family, please know our prayers and sympathy are with you. For us, we know the world will never look the same without the presence of Jim. We realize there are special times in life when words are difficult to come by and the thought process seems so not-relevant. Perhaps, the reality of it all is much to personal; where only the "inner-man" of the Sufferer, alone, can only measure the length, depth, and breath of the matter at hand. So, I won't attempt to even go there, but simply say, our hearts and prayers are with you; and trust that the world for all of you will rotate alittle 'brighter' with the addition of anotherstar.... God bless!
