“ *To my family,*

I know what you are going through, and how you are feeling. For as you remember it was just a year ago when my dad was called away.

Just remember that there are brighter days ahead. Only put your trust in the Lord, for He promised us He would never leave us nor forsake us. He alone is able to reach that place were you are hurting.

I know that Uncle Clyde will always be with us in our heart, for he is only a memory away.

I am here when and if you should need me.

Love Always
