“ Greetings, family my heart is with you always and especially today. I have several memories but my favorite memory of Uncle Jimmie is when he & Aunt Mae would visit Buffalo - he would let me sit in the driver seat for just a few minutes and pretend to drive - I'd hear him chuckle & say ok now - the smallest things make the greatest impact. He was very patient with us, always always always attentive to his wife and children - another great example of love and devotion in my life - Thank you Uncle Jimmy! I will never forget you.
