“ Praise ye the lord!! I Just want to say God Bless You to the entire Prescott Family and friends! I will being loosing the angels your way and lifting everyone up in my prayers. There is an appointed time for everything according to God's will and plan for our lives! This is why we have to take time out to do away with grudges and learn to forgive, appreciate and LOVE one another! There is a time to live and a time to die! This is why God whispers to us now and again to love our neighbors and treat our enemies good, and to honor mommy and daddy! I speak and decree that GOOD THINGS shall come forth out of your sorrow. I love you all with the love of GOD. My deepest, warmest condolences.
