“ To the Thomas family,

There are many fun memories growing up with Jimmie in Newton, MS. As a family, we were very close and lived only two houses from each other. We looked forward for the summer months so we could go out in the back woods behind our homes to pick plumbs and black berries, playing marbles in the field between our house and uncle Buster Lang's house. I remember we use to hunt for birds to kill with our BB guns. Jimmie loved playing all types of sports. He was also very close friends with my cousins on my mother side of the family.

When Cousin Leola left to go up north, it was never the same, because Jimmie was always in the center of things that we all loved doing as kids. It was just that way...it was natural. Jimmie has made his mark on the planet, and I like all of us who knew him will always have the memories of his presence as family until we meet our maker as he has.

Cousin Jimmie will forever be missed.
